

A close-up, back view of a person's head and shoulders. The person has long, light blonde hair styled in a high ponytail. The hair is gathered at the crown of the head and falls down. A section of the hair near the base of the ponytail is styled into a small braid, secured with four black elastic bands. The rest of the hair is loose and voluminous. The person is wearing a black top. A large, ornate, silver-colored earring with a floral design is visible on the right side of the head. In the top left corner, there is a black circle with the word "PRE" in white capital letters.
